

Coaches,

I have attached meet information for the April 13-15, 2012 Weekend of Champions / Southern Track & Field Championships to be held in Durham, NC at the NEW Durham County Memorial Stadium. The DCMS is a newly remodeled 8500 seat football stadium with a brand new Beynon Sports track. We will host a college/open team scoring championship with an invitation only high school meet being run simultaneously on Friday and Saturday. Sunday, April 15th is a masters only competition. We will update the list of competing teams weekly on our website at [www.personalbestsports.net](http://www.personalbestsports.net).

Corporate sponsors are in place to make this a first class event with excellent individual and team awards. We have U.S. Olympians Billy Mills, Jim Ryun, Terrance Herrington and others to be announced soon. The Olympians will be available all three days in various capacities. A very low collegiate entry fee structure is in place to make this a very affordable, budget saving championship meet (see attachment). Please consider bringing all or part of your team to Durham, NC. Direct all questions to me by email or just call my cell, I'd be happy to talk with you.

Merry Christmas and a Happy New Year to all.

Sincerely,

Bill Cason  
Head Men's & Women's  
Cross Country / Track & Field Coach
