

Javelin clinic & video review @ New Balance Nationals

New Balance HS Nationals Javelin Clinic and Video Review Sessions: Fri., June 17 10:00am. Once more, thanks to the efforts and co-operation of Jim Spier and the National Scholastic Sports Foundation, we are conducting a **FREE** clinic (Clinic@ javelin runway in stadium) for all coaches, athletes and parents interested at the New Balance Nationals held at Aggie Stadium in Greensboro, NC. As well, we will also video the boys and girls competitions and have a video review session after each championship competition on Friday and Saturday. Clinic and video reviews will be conducted by Jeff Gorski, USATF Master Throws coach, and Bill Schmidt, 1972 Olympic Bronze medalist in javelin. Video cameras at the clinic and review sessions are encouraged!! For more info on this event and our "Field of Dreams" summer javelin camp, please visit: <http://www.klubkeihas.com/page16.html>
